*Welcome to my Round Rock office:*

My office is located just east of 620 and I-35 at 400 West Main, on the corner of Harris and Main Streets. When you arrive, you will see what looks like a “main house” on the corner, with an L-shaped office building behind. My office is in that rear building. There is a waiting room just around the corner from the restrooms; go ahead and make yourself comfortable and I will meet you in the waiting room at your appointment time.
